2. Key features of the credit product

The type of credit	Credit Card
The total amount of credit. This means the amount of credit to be provided under the proposed credit agreement or the credit limit.	<p>We will set your credit limit from time to time based on your circumstances and we can adjust it (up or down) at any time.</p> <p>We will confirm your credit limit when you receive your Card.</p>
How and when credit would be provided.	Your credit will be available to you when you activate your Card, unless we have told you that it is available earlier (for example by offering you the ability to transfer a balance you hold on a card with a different issuer). You may use the Card to make purchases (i.e. pay for goods or services), balance transfers (if we tell you they are available), cash advances (if you have enrolled) and other types of transactions we may allow you to make using the Card.
The duration of the credit agreement.	The Agreement is open ended and has no fixed duration. It will continue until you or we close the Account in accordance with the terms of the Agreement
Repayments.	<p>The minimum payment due each month is the highest of the following amounts:</p> <p>(1) £25 (or the total amount owing if less); or</p> <p>(2) any interest, default fees, repayment protection insurance and 1/12th of</p>

Your payments will pay off what you owe in the following order	<p>any annual Cardmembership fee or the full monthly fee (if applicable to the product you hold) plus 2% of the remaining balance.</p> <p>We apply payment first to the balance with the highest interest rate and then to balances with lower interest rates in descending order. In applying this principle, we will first apply payments to amounts that have appeared on your statements, and then to amounts that have not yet appeared on your statements.</p>
The total amount you will have to pay. This means the amount you have borrowed plus interest and any costs.	The total amount of credit (based on a credit limit of £1,200) plus the total charge for credit under the Agreement (£135.46) results in a total amount payable of £1,335.46. This is an illustrative figure only.

3. Costs of the credit

The rates of interest which apply to the credit agreement.	<p>Standard rate (for purchases) 22.9% per annum</p> <p>Cash advance rate 27.9% per annum</p> <p>Balance transfer rate 22.9% per annum.</p> <p>We may apply promotional rates which we will tell you about from time to time but these may be withdrawn if you do not pay your minimum payment due.</p> <p>We may change any of the above rates of interest for a number of valid reasons set out in our Agreement. If we are increasing your interest rate, we will give you at least 60 days' advance personal notice and you will be able to opt out of the increase by notifying us before it takes effect.</p> <p>We will tell you about changes by putting messages in or on your statement, or sending you a separate written notice by post or electronically (which includes posting them on an American Express website americanexpress.co.uk, through links provided on a statement or other notice, email, text messages or similar or any combination of these or other means).</p>
<p>Annual Percentage Rate of Charge (APR).</p> <p>This is the total cost expressed as an annual percentage of the total amount of credit.</p> <p>The APR is there to help you compare different offers.</p>	<p>22.9% APR (variable)</p> <p>The APR is calculated using the standard rate for purchases. Using your Card or Account to make different types of transactions may result in a higher APR.</p>

Additional Explanations about your Credit Agreement

BEFORE YOU APPLY FOR THIS CREDIT PRODUCT PLEASE READ

We'd like to explain some of the key things you need to know about your Credit Card product before you sign your Credit Agreement.

Please also read the Pre-Contract Credit Information document (known as the SECCI) we have provided to you.

If you have any questions or would like further information about your Agreement, please go to our website (americanexpress.co.uk) or contact us on 01273 696933.

Examples of some of the types of use for which a Credit Card is not suitable

Your Credit Card is not intended for long-term borrowing or for funding other forms of long-term borrowing commitments such as mortgage loan repayments or personal loan repayments. You should not apply for a Credit Card if you are experiencing financial difficulties.

Please note that your Credit Card product is a variable rate product. If you prefer a fixed rate product, do not apply for this product.

The amount you need to repay

The minimum amount you must pay each month will be shown on your monthly statement and will be the highest of the following amounts (i) £25 (or the total amount owing if less); or (ii) any interest, default fees, repayment protection insurance and 1/12th of any annual Cardmembership fee or the full monthly fee (if applicable to the product you hold) plus 2% of the remaining balance.

You can always pay more than the minimum payment due. If you only pay the minimum payment due, it will cost you more overall and will take you longer to clear your balance. When you make a payment to your Account, we apply the payment to balances charged at the highest interest rate first. The borrowing rates vary dependent on the type of transaction – for example cash advances cost more than purchases.

Certain features of your Credit Card Agreement which could have an adverse impact on you

It may cost you more to use your Card in some ways than others. For example, if you withdraw cash, the interest rate may be higher and you will have to pay a fee of 3% (minimum £3). If you use your Card to pay for something in a foreign currency, you will have to pay a non-sterling transaction fee of 2.99%. If you make a balance transfer, you will have to pay a fee of up to 3%.

The Card has an annual Cardmembership fee of £0.

We may increase the interest rates, fees and charges on your Account in various circumstances, for example if there is a change in your circumstances or an increase in our costs.

Consequences of missing payments

If you fail to keep up your repayments in accordance with your Credit Card Agreement the following consequences could arise:

(i) you will be liable for a late payment fee of £12 and we will continue to charge interest on your balance, so the total cost of your debt may grow;

(ii) you will lose the benefit of any promotional interest rate;

(iii) your credit rating may be impaired making it more difficult or expensive for you to get credit in the future;

(iv) legal action may be taken against you to recover amounts owing and you may have to pay any associated legal costs;

(v) an application may be made to declare you bankrupt;

(vi) if we have the benefit of a charging order, we may then seek an order for sale which could mean that your home or your property may be repossessed.

Your right of withdrawal

If you proceed with your application for a Card, you will have a right to withdraw from your Card Agreement if you change your mind. The withdrawal period starts on the date you sign your Agreement and ends 14 days from the day after you receive your Card.

To withdraw from your Agreement you must call us on 0800 9178047 or write to us (American Express, Department 871, 1 John Street, Brighton, East Sussex, BN88 1NH) stating your name, address and Account number and informing us that you wish to withdraw from the Agreement. You must pay back all balances (except interest and charges we have added) on your Account without delay and within 30 days as you would make payments under this Agreement. If you do not repay us within 30 days, we may charge interest at the rates applicable to the balances under the Agreement until fully repaid. You can contact us for details of what interest will be payable. You can make a payment by telephone or by post.
